

TIME TABLE

THEMES:

- A** **POLICIES: strategies, legislation, regulations, guidelines, etc.**
- B** **FUNCTIONS & VALUES of soil-water systems – understanding of processes**
- C** **SITE INVESTIGATION: Monitoring & Screening**
- D** **RISKS & IMPACTS**
- E** **REMEDICATION concepts & technologies**
- F** **SUSTAINABLE & RISK BASED LAND MANAGEMENT**
- G** **COMPLETE CASES**
- H** **COASTAL ZONES**

Time	Hall	TUESDAY 3 June
8.00		Registration
9.30	Auditorium	Opening Session
10.30		Break
11.00		Lecture Sessions (LeS):
	Sagittarius	A.5 POLICIES: Science/policy interface
	Scorpio	B.1 FUNCTIONS & VALUES: Climate change: adaptation and research
	Aquarius	C.1 SITE INVESTIGATION: Sensors-1
	Libra	C.3 SITE INVESTIGATION: Concepts-1
	Taurus	E.1 REMEDIATION: In-situ Chemical Oxidation-1
	Franci	F.2 SUST. & RISK BASED LAND MANAGEMENT: Brownfields
		Special Sessions (SpS):
	Gemini	5 SNOWMAN
	Martini	12 The Role of Risk Based Contaminated Land Management in Sustainable Urban Regeneration (CABERNET)
	Aries	US EPA Session: Introduction to the Tools and Mechanics of Systematic Planning
12.30		Lunch
14.00		Lecture Sessions (LeS):
	Libra	B.3 FUNCTIONS & VALUES: Beneficial microbial functions
	Taurus	E.3 REMEDIATION: Nano-scale iron
	Sagittarius	E.10 REMEDIATION: Decision support tools
	Gemini	G.1 COMPLETE CASES: Former industrial and military sites
	Scorpio	H.1 COASTAL ZONES
		Special Sessions (SpS):
	Aquarius	14 A short training on modelling human exposure due to contaminated soil
	Franci	24 Management of Groundwater Protection Areas – 1
		Country Sessions (CyS):
	Martini	Germany: The 4 th Dimension of Site and Land Management: Cross-link of Research and Practice – the German Way
	Aries	US EPA Session: Demonstration of Method Applicability and QC for XRF
15.30		Break
16.00		Lecture Sessions (LeS):
	Sagittarius	A.2 POLICIES: International dimension
	Libra	E.12 REMEDIATION: Heavy metals
	Aquarius	E.15 REMEDIATION: Electrical techniques
	Gemini	F.1 SUST. & RISK BASED LAND MANAGEMENT: Instruments Sustainable Land Management
		Special Sessions (SpS):
	Martini	21 Measuring Sustainability in Remediation (CL:AIRE)
	Taurus	22 Digital Soil Mapping and the implementation of Soil Thematic Strategy
	Franci	24 Management of Groundwater Protection Areas - 2
	Scorpio	27 Integrating Landscape Ecology, Fate and Transport Modeling for Risk Mapping in Soil Contamination in Europe
	Aries	US EPA Session: Green Remediation
17.30 – 19.00		Get together in Conference Centre

Time		Hall		WEDNESDAY 4 June	
9.00		<p>Lecture Sessions (LeS): B.2 FUNCTIONS & VALUES: Land use and consequences for (ground)water D.2 RISK & IMPACTS: Human exposure & assessment-2 D.7 RISK & IMPACTS: Bioavailability & Bioaccessibility E.2 REMEDIATION: In-situ Chemical Oxidation-2 E.14 REMEDIATION: Source zone treatment</p> <p>Special Sessions (SpS): 10 ConSoil and the EU Framework Directive for Soil Protection - 1 15 International Science and Technology Center, Moscow (ISTC) - 1 25 Technology development, an in-depth look at improving market uptake: Matching research needs and available options (NICOLE) - 1</p> <p>US EPA Session: Critical Role of Data Management</p> <p>Italian Satellite Conference <i>La Conferenza sarà in lingua italiana. Sarà fornita la traduzione simultanea italiano-inglese. Il pomeriggio sarà aperto alla partecipazione individuale ai lavori di qualsiasi sessione prevista in CONSOIL.</i> <i>The conference language is Italian. There will be simultaneous interpretation into English.</i> <i>In the afternoon, each participant will be set free to attend CONSOIL sessions.</i></p>			
10.30		Break			
11.00		<p>Lecture Sessions (LeS): C.5 SITE INVESTIGATION: Analytics-1 D.3 RISK & IMPACTS: Ecological Risk Assessment E.6 REMEDIATION: Natural Attenuation E.16 REMEDIATION: Special subjects-1</p> <p>Special Sessions (SpS): 10 ConSoil and the EU Framework Directive for Soil Protection - 2 15 International Science and Technology Center, Moscow (ISTC) - 2 25 Technology development, an in-depth look at improving market uptake: The role of demonstration projects (NICOLE) - 2</p> <p>Country Sessions (CyS): Netherlands: The living Soil is our Existence</p> <p>US EPA Session: Best Management Practices Part 1: Conceptual Site Models</p> <p>Italian Satellite Conference: <i>La Conferenza sarà in lingua italiana. Sarà fornita la traduzione simultanea italiano-inglese. Il pomeriggio sarà aperto alla partecipazione individuale ai lavori di qualsiasi sessione prevista in CONSOIL.</i> <i>The conference language is Italian. There will be simultaneous interpretation into English.</i> <i>In the afternoon, each participant will be set free to attend CONSOIL sessions.</i></p>			
12.30		Lunch			
14.00		<p>Lecture Sessions (LeS): A.1 POLICIES: EU dimension E.7 REMEDIATION: Enhanced Natural Attenuation - 1 F.4 SUST. & RISK BASED LAND MANAGEMENT: New Approaches G.3 COMPLETE CASES: Harbours/Waterfronts</p> <p>Special Sessions (SpS): 7 Towards harmonised human health risk assessment across Europe: Sorting the possible from the impossible 8 Technology development, an in-depth look at improving market uptake: Towards a common paper on research and demonstration needs (NICOLE/EURODEMO) 28 Un approccio integrato per l'implementazione delle Direttive Europee sul Suolo e sulle Acque in Italia (<i>Italian spoken</i>)</p> <p>Country Sessions (CyS): Flanders: Flemish Soil Remediation: Fashionable Creativity</p> <p>US EPA Session: Best Management Practices Part 2: Dynamic Work Strategies</p>			
15.30		Break			
16.00 – 17.30		<p>Poster session <i>Poster social with drinks and snacks</i> <i>Note: Posters will be displayed during all conference days</i></p>			

THURSDAY 5 June		
9.00	Scorpio Libra Sagittarius Martini Taurus Aquarius Gemini Franci Aries	Lecture Sessions (LeS): A.4 POLICIES: Soil quality objectives D.4 RISK & IMPACTS: Fate & Transport -1 E.4 REMEDIATION: Thermal techniques-1 F.3 SUST. & RISK BASED LAND MANAGEMENT: (Ground)water Special Sessions (SpS): 3 Advances in the Use of Bioaccessibility Data in Quantitative Risk Assessment through Practical Applications (BARGE) - 1 9 Perspectives: From low to non-invasive site assessment and characterization - Model driven Soil Probing (MODELPROBE) - 1 18 PRB's: Longivity and ENA effects 19 Retention and Degradation Processes reducing Contaminants in Groundwater and Soil (KORA) US EPA Session: Sample Design Part 1
10.30	Break	
11.00	Libra Sagittarius Martini Gemini Scorpio Taurus Aquarius Franci Aries	Lecture Sessions (LeS): A.3 POLICIES: Policy formulation and performance D.5 RISK & IMPACTS: Fate & Transport - 2 E.11 REMEDIATION: Modelling E.13 REMEDIATION: Barriers Special Sessions (SpS): 2 Green Remediation 3 Advances in the Use of Bioaccessibility Data in Quantitative Risk Assessment through Practical Applications (BARGE) - 2 9 Perspectives: From low to non-invasive site assessment and characterization - Model driven Soil Probing (MODELPROBE) - 2 26 Results of the NATO/CCMS Initiatives (2003-2007) and proposed NATO/SPS Program on Contaminated land US EPA Session: Sample Design Part 2
12.30 – 17.00	5 half-day Technical Tours <ul style="list-style-type: none"> • Limited number of participants • Registration at Conference • Lunch served only for Technical Tours participants 	15.00 hrs. Guided City Tours: <ul style="list-style-type: none"> • Limited number of participants • Registration at Conference • NO LUNCH by ConSoil
19.30 –	Conference evening with dinner	

Time		Hall		FRIDAY 6 June		
9.00		Libra Gemini Martini Aquarius Taurus Sagittarius Franci Aries	Lecture Sessions (LeS): D.6 RISK & IMPACTS: Decision making & Risk assessment E.8 REMEDIATION: Enhanced Natural Attenuation - 2 E.9 REMEDIATION: Non-conventional concepts F.5 SUST. & RISK BASED LAND MANAGEMENT: Social aspects Special Sessions (SpS): 13 RISKBASE 16 Netherlands Soil Partnership (NSP) and China 17 Aquaterra: EUPOL & KNOWMAN - 1 US EPA Session: Introduction to the Tools and Mechanics of Systematic Planning			
10.30		Break				
11.00		Aquarius Sagittarius Martini Taurus Libra Scorpio Gemini Franci Aries	Lecture Sessions (LeS): A.6 POLICIES: Social/economic aspects D.1 RISK & IMPACTS: Human Exposure & Assessment - 1 D.8 RISK & IMPACTS: Quality Insurance in Risk Assessment E.17 REMEDIATION: Special subjects-2 G.2 COMPLETE CASES: Brownfields Special Sessions (SpS): 1 Brownfields, Bioenergy and Biofeedstocks 6 BeNeKempen 17 Aquaterra: EUPOL & KNOWMAN - 2 US EPA Session: Green Remediation			
12.30		Lunch				
14.00		Aquarius Libra Taurus Martini Gemini Sagittarius Aries	Lecture Sessions (LeS): C.2 SITE INVESTIGATION: Sensors -2 C.4 SITE INVESTIGATION: Concepts-2 E.5 REMEDIATION: Thermal techniques - 2 F.6 SUST. & RISK BASED LAND MANAGEMENT: Environmental aspects & costs Special Sessions (SpS): 4 Environmental Technology Verification – an instrument to promote remediation and monitoring technologies (PROMOTE) 23 Risk Management of contaminated land, which way to go? US EPA Session: EU Panel			
15.30		Break				
16.00	Auditorium	Closing Session
